WELCOME TO THE SPECSAVERS COUNTY GROUND

Hamworthy United Football Club is pleased to welcome Tadley Calleva Football Club and its supporters to the Specsavers County Ground for today's Sydenhams Wessex Premier League match.

We wish everybody attending today's game, all our supporters, and our Sponsors a very Happy New Year. We would also like to extend a warm welcome to our Referee Callum Walker, and his Assistants William Buchan and Jason Coombes. We hope that they, and everybody else involved today will have a good game, and they enjoy their stay with us.

Both teams so far this season have lacked consistency which is very much reflected in their league positions. At the time of writing these notes both teams are in the bottom half of the table. The Hammers are two places and seven points above our today's opponents, and have a much better goal difference. Tadley Calleva however has got two games in hand of United.

Tim Sills and his team will be hoping to make it three wins in a row today and start moving up the table again. This is only our visitors second season in the Wessex Premier League. Last season following promotion Tadley Calleva finished in a very creditable 8th position, two places below Hamworthy.

The Hammers have won all three league games that have been played between the two clubs so far. They won 2-4 away in February with James Filkins, Luke Stone 2 and Nathan Walker all scoring for United. The

following month United won at home 3-1. Ollie Balmer, Luke Stone and Sean Wright scored the goals in that game. The away game this season saw Cameran Beard score twice, and Ed Hodge added a third in another 1-3 victory for Hamworthy. Let us hope that United can keep the record going today. Whatever the result today we look forward to an entertaining game played in the right way.

Today's Match is sponsored by **Diamond Construction**. We thank them for their generosity and support over the years. The ball Sponsor for the game is the Hammers Club. If you would like to join and get the chance of winning a cash prize in the monthly draw and 10% off all your purchases, the application forms can be obtained at the Bar.

Should you wish to hire the Club please contact Hayley Basing. The Club would like to thank those people who in response to the recent appeal have volunteered to help with the many duties needed to keep it running efficiently, but more are still needed. Please contact Steve Mitchener for details on how you might be able to help.

Finally may we thank everybody for coming today, and we hope that you will all have a safe journey home. We would also hope that you will have enjoyed the match and that you will come again soon.

FROM THE DUGOUT

Good afternoon and a Happy New Year to you all as we host Tadley Calleva here this afternoon.

A warm welcome is extended to Adam Clark, his team, and all associated with Tadley in this first game of a new year and new decade. This fixture holds a bit more significance for me personally; the reverse fixture away was my first experience of being in charge of a dug out, back in October. We prevailed 3-1 that day with a very positive performance, and it will take at least that kind of effort again to repeat a positive result for us today.

The Christmas period has been very fruitful for us; not only have we managed to fulfill both festive fixtures, when so many others fell foul to the weather, we also came out with maximum points thanks to two very good wins in differing circumstances. The win at home to Team Solent was a performance full of quality and attacking prowess, which resulted in some really well worked goals.

We then had to travel to notoriously difficult Portland last Saturday and a scintillating first half performance, with just the right mix of class and guile, saw us 3-0 up at half time. We started the second half praying to the weather gods that the fog would not get any thicker. After conceding a couple of goals, to set up a nervy finish, the lads negated the need for any more divine intervention and took the 3 points into their own hands with a great show of dogged determination and resilience, to secure an excellent 3-2 win.

This now finally gives us a bit of momentum with which to really attack the second half of the season, so hopefully we can keep doing the right things while maintaining this fantastic squad, and who knows what 2020 could bring for us all?

Enjoy today's game and the year to come..

Up the Hammers.

Tim Sills
Manager

FEATURE: FAWZI SAADI

BY ROB BIRD

Hamworthy's latest 3-2 victory away at Portland symbolises a huge step in the right direction leading on from some difficult matches, and one player who's helped Tim Sills' side back to form is Fawzi Saadi, who we had the pleasure of talking to this week:

The signing of Fawzi was met with great expectation and he delivered with a fine freekick to announce himself to the fans. Since then it's been a trickier period for the club on the field.

"Since my arrival we've produced some very good performances as a club, however defensively we need to keep improving, as we've let in too many soft goals. Attacking though we're a massive threat and can beat anyone on our day.

"We're definitely capable of fulfilling our ambitions and finishing high up in the league this season".

Upon arriving at Hamworthy in October 2019, Saadi brought a wealth of talent and experience into Sills' midfield, having played at an extremely high level with AFC Bournemouth.

"As a player my main goal is to lift the team spirit and encourage and help youngsters to achieve their full potential, while also adding to the on-field talent on matchdays.

"Many of our players are exceptional, it's difficult to single one individual out because we play as a unit".

Having played football at a higher level, it was interesting to see how Saadi prepares for games, both in diet and also whether he has any superstitions:

"I don't really have any superstitions, but for me it's all about preparation; recovery, sleep and diet are all absolutely crucial in the run up to performing.

"Before any game I always try to drink loads of water so I'm fully hydrated, and I always eat chicken pasta which is high in protein and allows sustained energy release throughout the game".

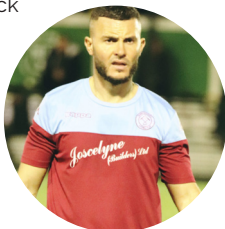

Currently in 12th position after 20 games out of 38, Hamworthy find themselves in a position primed for attack.

Furthermore, with upcoming fixtures against strugglers Tadley Calleva, Brockenhurst and Fleet Town. Tim Sills will be hoping to get some consistent points on the board.

For Saadi however, just as important as all the preparation in the world, is the exceptional support from Hamworthy's loyal fans on game days. To you, Saadi wanted to share his thanks and appreciation:

"Firstly, I want to wish all the fans a very happy new year. We are very thankful for all your support week in and out, and as a player I ensure you I will work as hard as I can to continually improve upon my weaknesses.

"Up the Hammers".

The Hammers' were hoping that their long trip to Barlows Park would be the start of a new dawn, with their new Manager Tim Sills now at the helm. He brings with him a wealth of experience having enjoyed a long playing career that has spanned several southern-based league and non-league clubs. United were also hoping to improve on a disappointing return of just two draws from their last six matches. This had seen them plummet in the league from top to twelfth position. The Hammers though could expect no favours against a team unbeaten at home for six games.

It was however the Hammers who made an early breakthrough on 4 minutes, Eddie Hodge chasing down and robbing a defender before finding the back of the net.

Tadley though gradually started to peg United back, and they restored parity on 22 minutes. Following a neat move, Captain Brett Denham laid the ball on a plate for Alex Fragata to tap in. Despite conceding the equaliser, this was a good half for United, all the team having put in a positive effort, and they were very much in the game.

Both sides had early chances after the restart. After home stopper Jack Martin had saved a one-on-one, the hosts then had a penalty appeal turned down. The Hammers though

were always looking the stronger side, keeping the ball better and deservedly regained the lead in the 67th minute. Cameron Beard got to Dan Cann's cross first before poking the ball home. Ten minutes later the visitors extended their lead. Man of the Match Cameron Beard completed his brace, after again robbing a defender before running on and slotting the ball past the goal keeper.

This was a solid performance all round by United whose attitude could not be faulted. All the players knew and did what they had to do. They controlled most of the game, and were better organised off the ball. They also made good use of the space, with Eddie Hodge a catalyst in many of the moves. Although Dan Cann these days is not at his quickest, United used him more efficiently by playing the ball to his feet, which allowed him to link well with other players.

This was a deserved winning start for their new manager that saw the Hammers leap-frog Tadley and move up the league two places to tenth. More importantly their confidence returned, and they can now hopefully give the league leaders Alresford Town a good test in the Sydenhams League Cup this Saturday

The Hammers were hoping to build on their emphatic win last week against Solent University. Although well placed in the league, Portland's home form of late has been inconsistent. However they had managed a 5-0 win over league leaders Alresford recently. This game was to be the third between the two Clubs this season. With two minutes remaining and a goal down in the FA Cup encounter at the Weyline Stadium in August, the Blues, somehow found two late goals to win the tie 4-3. The league game at Hamworthy finished 1-1 with the Hammers having a disputed last minute goal ruled out off-side.

Playing in slightly misty conditions, it was Hamworthy who applied the early pressure. Eddie Hodge headed a pinpoint looping cross by James King just over the bar. King himself then headed a simple chance just wide of the far post. Portland did counter briefly, and King now had to turn goal saver, by clearing Jamie Symes' header off the line from a corner.

The Hammers soon had another scare when Beasley, chasing a bouncing ball, hit the deck just outside the area which ad resulted from keeper Ollie King's challenge. Beasley himself, now fully recovered, took the free kick, but missed the far post by inches. More

orthodox keeping by King followed, when he this time narrowed the angle before keeping out another effort by the clean through Beasley.

Hamworthy opened the scoring in the 25th minute. A long ball forward by Fawzi Saadi found Eddie Hodge in the middle of the Portland half. His first touch superbly deflected the ball over the defender behind him. Running on, his shot from the edge of the area had little on it, but was enough to take it past the keeper and into the net just inside the right post. The Hammers doubled their lead only a minute later. Hodge's ball across the penalty area was touched on by Dan Cann to set up a rasping close range finish into the net by Ollie Davis. The visitors then made it three goals in five minutes. Man of the match Eddie Hodge picked up a ball that had been headed out of defence, and struck a low shot into bottom left hand corner of the net from 15 yards.

There was still time before the interval for Cann to fire just wide. King produced two more good saves; the first was from Beasley, before tipping over a Bailey Rowe header. Although the Blues had come more into game towards the interval, the Hammers still deserved their three goal advantage, having missed two sitters themselves. The main threat now was the game

being called off due to the thickening of the notorious Portland fog. Both teams strove to make the best of the testing elements after the break, but there were few chances. The Blues though began to get the upper hand, and managed to reduce the deficit on 60 minutes with a quite remarkable goal. Ben Morris dribbled the ball into the Hamworthy half, before trying his luck from 30 yards. The ball whistled into the top left corner of the net and would have beaten almost any goalkeeper, even in clear daylight. In a rare Hammers' counter attack, Blues' stopper Steve Boore did well to push wide an effort from Davis that had followed another good diagonal ball by Saadi.

The Hamworthy nerves were put to the test when Portland reduced the deficit to one on 80 minutes when Ed Bastick managed to head Ben Morris's corner in at the near post.

The hosts were now applying all the pressure, and substitute Ryan McKechnie had a golden chance to equalize in the closing minutes, but dragged his shot wide. The game got a bit heated in injury time, and in the last minute Hamworthy's Tom Cooper was sent off for a second yellow. He kicked the ball away, after having earlier being cautioned for a rash challenge on Beasley. However this time the Hammers did manage to hold onto their lead to win the game.

A quality first half and some dogged second half defending merited that win. Every man had played his part. Tim Sills' new tactics, in moving Jamie Gleeson to midfield and Fawzi Saadi back, is proving a great success. Dan Cann was able to see much more of the ball, allowing him to hold up play before laying it off to others. This was another fine team effort.

A recent poor run has seen the Hammers recently drop slowly down the table faced a visit from Solent University. The visitors form, meanwhile, had started to pick up after another poor start to the season. This included a 7-1 defeat against United on the opening day of the season. However in the last month they have had away wins at Portland and Cowes and have drawn with Horndean at home. Fit again Lee Francis was back captaining the Hammers, with Cam Munn also returning quickly after breaking his nose last week. Solent made only two changes from their winning team at Cowes the previous week.

The Hammers started on the front foot from the word go, and took only four minutes to open their account. A delightful long ball played across the pitch by Cam Munn found Ollie Davis on the right byeline. He perfectly teed the ball up for Dan Cann to tuck it home at the near post. United remained in control and doubled their lead in the 9th minute. Fawzi Saadi's corner, one of many that caused grief in the visiting defence, somehow found its way into the net.

Although the Hammers continued to press forward, the students did come more into the game towards the middle of the half. Ollie King held onto a firm shot before again doing well to tip Ryan Penny's effort around the post. However the hosts added a third goal on 28 minutes. The Solent keeper mishandled a back-pass, which allowed Munn to gain possession and pick out Lee Francis for an easy finish from about eight yards. Declan Randall was called to make a good block in front of goal to a solid effort by Jean-Pierre Alexander. Just before the break Solent stopper Dominic Oakes also did well to push a Saadi effort wide, following a fine through ball from Eddie Hodge.

Yet again, Hamworthy fell prey to an early second half goal. With only 9 seconds gone, Ethan Taylor found himself in space to scoop a bouncing ball outside the reach of the King and into the net from about 20 yards. However, the Hammers restored their three goal advantage 4 minutes later. The alert Cam Munn was on hand to poke in the rebound after the keeper was unable to hold onto a strong shot by Francis. The students did manage

to rally and come back into it for a brief period.

Alexander fired inches wide of the far post, before a good effort from distance by James Goodey just cleared the bar. From then on, however, United dominated play, and netted their fifth on 66 minutes. Cann's unselfish ball across the goal took out the keeper and presented an easy tap in at the far post for substitute James King.

Five minutes later, the Hammers made it six. A sweeping high ball across the pitch by Cann found Hodge. He weaved his way forward before delivering a low ball across the face of the goal, which was steered into the net from the tightest of angles by a determined James King. United were able to equal their opening day result on 78 minutes. Substitute Elliot Hartnell-Baker's all important touch to a clever through ball by Cooper, was just ahead of the keeper and crept

inside the far post. The Hammers even went one better on 85 minutes, Lee Francis converting from close range after some good approach work by Saadi and Hodge.

Sooner or later somebody was going to receive the backlash from the Hammers' recent run of poor results. Discounting some sloppy defending at times, these had generally not matched the quality of their performances. However this time the back-line was far more effective both in its defending and its creativity when moving the ball forward. Jamie Gleeson reverted back to his more traditional creative midfield role, and Dan Cann was now able to win a lot more of the ball and spread the play well. This was an excellent all round performance.

CLUB LEGENDS

BRUCE SCAMMELL (BORN 21ST AUGUST 1972)

By Roger Nicholson

Bruce with Alex Pike

Bruce was born in Shaftesbury Dorset in 1953, the eldest of Ivor and Ada Scammells' three children. He had two brothers Owen and Lance, but tragically Lance the youngest died when he was only 21 years old, leaving the family devastated.

Bruce went to schools in Shaftesbury and Gillingham, before moving to Hamworthy with his family at the age of thirteen. He now went to Herbert Carter School where he met the girl he was going to marry, Sue, she was and still is the love of his life. Whilst still at Herbert Carter Bruce became part of a group called the Mimics in which he played the guitar.

On leaving school he did an engineering apprenticeship with

Hamworthy Engineering and ended up in the drawing office. He also worked as a draughtsman at Winfrith and another company in Poole before changing tack and going into the insurance business. After working a few years for first Pearl and then Legal & General, Bruce started up his own very successful Financial Advisors business in Hamworthy. Sue and Bruce got married in June 1975 and have two children Marc and Alison, who now have children of their own. Bruce in his younger days played football for Lagland Street whilst Marc his son played for Hamworthy United Youth and Reserve teams.

It is over thirty years ago since Bruce first joined Hamworthy United Football Club, and since then he has become

very much a part of it. Apart from being a major sponsor over the years he has held various senior positions. These include being one of the Club's Trustees, their Chairman (often in more difficult times) and their President, a position he still holds today.

At the time of Bruce's arrival the Hammers were a mid-table team playing in the Dorset Combination League with little hope of promotion. Due to their finances they were unable to compete with the likes of Shaftesbury, Parley etc., who were paying their players. This began to change gradually when Bruce started to sponsor the kit. He also helped get other business friends to do the same. Without doubt this and the opening of the new clubhouse meant United could now attract better players and win the League in 2003 under Sean Barlett.

The following year they won again this time gaining promotion to the Wessex League and won the League cup under Alex Pike and Chairman Bruce Scammell. Bruce helped the Club get a team bus and a crop sprayer to water the pitch, amongst other things. Bruce's connections with the local councillors were invaluable when things got difficult with our landlords the D.C.F.A. and Poole Town F.C.

One thing Bruce does know how to do and that is to celebrate. He is always the first to

lead the celebrations in the bar afterwards. This usually includes a Brucie Bonus (a free pint for each of the team) much to the delight of the players'.

Bruce is a very generous man who has dedicated a lot of his time, effort and money in making sure that Hamworthy United Football Club has become, and still is one that we can all be proud of. He will always be held in the highest regard by anybody past or present who have been connected to this Club.

Bruce another true H.U.F.C. Legend.

Hamworthy 3
Tadley Calleva 1

Sydenhams Premier League (Tuesday 12th March 2019)

A win for the new look United would help cement their quest for a fourth place finish, whilst a win for the visitors would lift them to within two points of Hamworthy. Newly promoted Tadley have proved they can compete with the best, including very recent wins against Poppies and Lymington. After Saturday, Chris Senior and Brandon Randall (recalled from his loan with Merley Cobham Sports) stepped in for Nathan Walker (now with Dorchester Town) and Brad Gale (resting a knock). Declan Randall took over the captaincy from Nathan. Included on the bench was new signing Connor Cocklin, an Ex-Hammer who had previously played for Winchester City earlier in the season and for 2nd placed Andover Town last season.

The Hammers started off positively, Olly Balmer twice working the Tadley keeper Sean O'Brien in the opening minutes. In fact it took the hosts only 7 minutes to go in front, when James King's corner was knocked on by Chris Senior for Sean Wright to score at the far post. Tadley responded well, Connor Thorne saw his effort stick in Tom Rees' mid-rift. However United now playing some good passing football doubled their lead on the quarter hour. The visitors gave the ball away cheaply in defence, and it was seized on by Eddie Hodge. The United man laid the perfect ball forward to Olly Balmer who finished well. After Tadley's George Hallaham's deflected strike passed narrowly wide, poor home defending on 24 minutes allowed the visitors a lifeline. Chad Abrams' cross at first looked a routine catch for Rees. However, possibly distracted, the United keeper only got a weak punch on the ball which rebounded off the head of a Tadley player, and fell at the feet of Brett Denham to slot home. The goal though did not upset United's rhythm. On the half hour mark, Luke Stone had the ball in the net after being set up by Balmer, but was caught narrowly offside. Sean Wright then swept a perfect ball down the right touch-line into the path of Hodge who saw his deflected near post shot saved by O'Brien.

As Hamworthy continued to dominate play Brandon Randall just missed his connection

in the six yard box to a low dangerous cross from Stone. The Hammers must have been well satisfied with their first half performance, but disappointed that they had only a slender one goal lead to show for it. They also must have regretted their missed chances and the sloppy goal conceded.

For the second time this season at the County Ground, a visiting keeper succumbed just after the break to an injury sustained in the first half. A few minutes in, Sean O'Brien's strained hip seized up, and the unlucky keeper needed to be helped off on a stretcher after a long delay. The gloves were taken over by Tadley's 20 year old substitute Shemar Pettet, normally a full-back. In spite of having to regroup, the visitors put up a much better fight in the second half, with Rees much the busier keeper. The pick of his saves was to push over a fierce drive from Denham who was through on goal after substitute Connor Cocklin had slipped before being able to intercept.

The Hammers now looked uneasy at times, failing to win many second balls, and wasting some free kicks in good positions. It was against the run of play when the Hammers baring a catastrophe finally made the game safe on the stroke of the regulation 90 minutes. After being played through by Balmer, Luke Stone rounded Pettet to find the back of the net. In the long period of injury time, due to the time needed to attend to O'Brien, Tadley's stand in keeper, who had looked sound throughout the second half, superbly tipped over Balmer's effort from a good pass by Wright. A few minutes later his opposite number Rees made a difficult save look easy, clutching from the air a rasping high shot from the busy Denham. New manager Alan Lay was rightly pleased with his second successive win, especially after the mini bad patch previous to his appointment. Although Tadley deserve credit for taking the game to United in the second half, the Hammers good performance in the first half, and in the last 10 mins meant they probably merited the win.

WEEK 22 - LEAGUE NEWS

By Roger Allen

At last a week when we had virtually all matches played – just two postponements and an unfortunate abandonment – and thanks to all who ensured their pitches were playable after the rain of the past week. The matches "lost" were the Premier Division clash between Fareham and Baffins Milton Rovers and Andover New Street's visit to Romsey in Division One whilst AFC Stoneham against Bashley was abandoned at the break because of floodlight failure with the visitors a goal ahead.

Leaders Alresford, after a couple of difficult fixtures on the road, returned to winning ways in yet another potentially difficult clash when a single goal from Craig Harding, very much their main man as regards goals at present, gave them all three points at AFC Portchester. Christchurch maintained their unbeaten home record with a 3-1 win over Hamble Club – a penalty for each side converted by Brad Cherrett and Nathan Lynch respectively among the goals – but Portland, not for the first time of late, slipped up at home. Visitors Hamworthy United were three goals up at the break – two from Eddie Hodge – and though the home side pulled two back in the second half it was not enough as the Hammers maintain their progress under Tim Sills.

Lymington continue to push themselves closer to the leading group and a best of five goal win over Cowes Sports gave them three more points. Three different scorers for the home side and Jared Wetherick back in the Cowes ranks with a goal after a long break.

Fleet Town and Horndean shared two goals and the points at Calthorpe Park but Brockenhurst's poor run of results continued with a 3-2 home defeat by Bournemouth, their fourth consecutive loss on home soil. Mal Thomas notched a hat trick in an important win for the visitors. Solent University bounced back from last week's heavy defeat with a 2-1 win at Tadley Calleva, Ethan Taylor scoring the winner as they came from a goal down, but still no joy for Amesbury as they went down 5-3 at Shaftesbury, the first time the

home side have scored five this season with River Smith scoring two and seemingly dispelling suggestions that he had returned to Hamworthy. At the end of the day Alresford's lead is back at six points with the same number of points covering the next six Clubs.

In Division One the leadership for once remained unchanged with US Portsmouth retaining top spot after an impressive 3-1 win at Petersfield, the home Club's first League defeat in ten matches. Alton are a point behind after a 2-1 home win over Verwood, two goals from Stuart Green making it seven wins in a row, with Lee Vint the Verwood marksman. A lone goal from Mig Dark gave Hythe & Dibden the points in the Waterside derby with Fawley, with the visitors going down again to the narrowest of defeats, almost a story of their season. Bemerton Heath, who appear to have now lost Verwood Bennett as well as George Hallahan – a severe dent in their strike-power – went down to a single goal at Andover Town as Josh Bertie maintained his recent goal scoring run and the largest crowd of the day, saw a highly entertaining game at Laverstock with the home side defeating Downton by four goals to two. Chae Sykes scored twice for the home side and Tom Moseley claimed both the visiting goals. Whitchurch ended a run of four defeats with a two goal win at Totton & Eling and finally on Saturday a first home win of the season for East Cowes Vics with Jimmi Burton scoring the only goal of the game against Follands. Earlier in the week the Boxing Day meeting between Vics and Newport fell victim to the weather and on Friday evening New Milton and Ringwood took a point apiece from a one all draw.

Reverting to the subject of attendances it was a remarkably good day for same and there were five above one hundred in the Premier Division – topped by 180 at Portchester – and five in Division One where both Alton and Petersfield exceeded the 150 mark and Laverstock and Downton battled it out in front of 201 spectators, it is surely financially viable to play at Holiday times?
